HOMESTEAD METROPOLITAN DISTRICT

2024 BUDGET MESSAGE

The Homestead Metropolitan District (the District) is a quasi-municipal political subdivision of the State of Colorado. The District was formed by order of the District Court for the County of Weld, Colorado. The District was organized to provide for the acquisition, construction and completion of certain infrastructure improvements within its boundaries. The District is governed by a five-member Board.

Basis of Accounting

The District prepares its budget on the modified accrual basis of accounting and uses funds to budget and report on its financial position.

Revenues

Taxes

The District imposes a mill levy of 58.753 mills. Of the 58.753 mills, 48.023 mills are pledged to the redemption of the District's bonds/notes. The remaining 10.730 mills will be used for administrative costs.

Specific ownership taxes are set by the State and collected by the County Clerk, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County, including the District.

Funds

General Fund

The General Fund accounts for the administrative costs of the District that are funded by property taxes and specific ownership taxes. The District has no employees and contracts with consultants to provide monthly services required. The District has no operating or capital lease agreements.

Debt Service Fund

The Debt Service Fund is used to account for the District's long-term debt obligations. The outstanding debt will be repaid through property taxes and specific ownership taxes.

Emergency Reserve

At the end of each year the District reserves that portion of the fund balance necessary to comply with the TABOR Amendment.
